

NURTURING GROWTH

From the moment we first took root in Sri Lanka, over forty seven years ago, we have cultivated the values that have stood us in such good stead ever since. Our deep respect for and understanding of our common heritage allows us to use our expertise to enhance the benefits of tradition, while retaining its hard-earned wisdom. We specialise in planting seeds of opportunity and growing sustainable businesses, because that's what we've always done.

CIC Stationary and Adhesives provides felt tipped pens, Adhesives and other stationery products to both the industrial and household markets, locally and internationally. An extensive distribution network helps us penetrate the market with household name brands such as Platignum and Chemifix. Chemifix is the pioneer in the PVA based Adhesive market and is widely recognised in the local market, while Platignum has made a mark in the global marketplace.

Field Sales Manager - Stationery Products

This post requires an individual between the 30-40 years of age with a full or part qualification in CIM/SLIM. The selected candidate will be responsible for creating and managing a distributor network for stationery products, responsibility on primary and RD turnover, and creating strategies for geographical expansion. The ideal candidate will possess at least 5 years experience in FMCG/Stationery sector and a minimum of 2 years in a similar capacity. A team player with good communication skills in English, the candidate will be expected to manage a sales team.

**Healthcare and
Consumer**
